Questions for Chairperson:

B. Co-Chairperson:

Greetings BANA family! It is a great day to be alive, clean and of service to our NA fellowship. I look forward to working with all of you this year with a special focus of strengthening the relationship between home groups and the Area. On that note I would like to share five goals for this year:

- I plan to visit all the Home Groups this year but will have a special focus of reaching out to home groups that are new to the Area or are not active in Area meetings, to support them and encourage participation.
- Along the lines of participation, I would like to kick-off a program of Each One Send One with the basis being that if each Home Group would just send one person sit on an Area position that there would be better diversity, more sharing and the strength of We.
- Keep the web site updated and forward content to Regional and World web sites when appropriate
- Keep the schedule up to date and available for distribution at Area meetings.
- Build on the success of Unity Day to schedule one Area wide event each quarter.

Along the lines of the next Unity Day, I would like to suggest that we have a Holiday get together in December and would like to suggest we discuss establishing an ad hoc committee for this event in new business.

I am just getting my arms around some of the Co-Chair responsibilities and will have a more complete report on the status of schedules and the web site next month.

I would like to suggest a budget for the year and am asking for feedback from everyone.

		Expense	Revenue
Quarterly Unity Days	-	\$300 / quarter	\$100 / quarter
Schedules	-	\$100 / quarter	
Web Site	-	\$100 / year	

Thank you for your support.

ILS,
Randy
