Greetings BANA ASC family. It is a great day to be alive and clean!

It time again for the 2015 Membership Survey! Every two years we attempt to gather information about our members, and the time to gather that information is now! Some may wonder why we want this information and how we use it. One of the aims of "A Vision for NA Service" is that NA is viewed as a "viable program of recovery." With members from several countries attending the world convention in Rio de Janeiro, and members around the world participating from their homes, we have an opportunity to demonstrate that we are, indeed, a viable and respected recovery community resource. Presenting ourselves in this way helps us offer hope to others that they, too, can recover. We encourage each member to spread the word of the Membership Survey to their friends. We would like as many members throughout NA worldwide to participate. To fill the survey out online, please go to <http://membership2015.questionpro.com>. If you want to download the survey and fill it out offline, please go to <http://www.na.org/survey>.

The final batch of review material for the Traditions Project is now available on line at www.na.org/traditions. This packet contains drafts of the Tradition 11 and 12 as well as a closing section called "All Will Be Well." The deadline for input on this material is September 30th.

From NA World Services - Planning Our Future: The workgroup has focused on developing the Role of Zones workshop, which is intended to help zones think about what is important to them and what they do well. The workshop material is available at www.na.org/idt. The workgroup has also had brainstorming sessions about 'our' WSC future, but is nowhere near a recommendation; they are simply discussing ideas. The overarching question is: "How can we improve our processes so that members and groups feel a connection to and a part of worldwide NA?" Please share your thoughts with us at worldboard@na.org. I would like to suggest that this area host a worship with the Region RD on this topic.

Also from NAWS - Service System: We hope to accomplish the following tasks this cycle. Draft Service System Basics, Local Service Basics, and Group Support Basics; hold web meetings; establish a webpage for locally developed tools; and begin to revise some of the draft tools posted on www.na.org/servicesystem.

There will be a GSR Orientation before the next ASC meeting on Saturday, August 8th at 3:30 PM. All new GSRs are encouraged to participate.

Thank you for the opportunity to be of service.

ILS,
Randy T.
