A=Absent P=Present

II. Meeting Goal(s):

Group Hugs

Establish Voting Procedures – Quorum was met

Review Minutes from December – Approved as written

Recognize New Groups- None

III. Officer Reports

Chair Report

Borderline Area NA (BANA) Chair Report
12/5/2015

Seasons Greetings! It is a great day to be alive and clean!

The Chair participated in the new Activities Ad Hoc Committee this month and attended three of the planning meetings. CJ will report on the details but we have some ideas that will be entertaining and fun while maintaining spiritual principles and unity of NA. My thanks to CJ , Roadkill and Justin for their time and interest.

The chair also participated in the Conference Agenda Report (CAR) workshop this morning that was sponsored by the Carolina Region and conducted by the Southeast Zonal Forum. The 2016 CAR is now available and FREE on line at www.na.org/conference, or a printed version is available for $15 from the World Service Office. This CAR includes a draft of the new Traditions Workbook, "Guiding Principles-The Spirit of Our Traditions." The 2016 Conference Approval Track (CAT) will be available in January.

Home Groups (HG) are the top of the NA service structure. We act as trusted servants to the guidance of the group conscious from your HG. This creates the responsibility for Home Groups to determine the strategic direction of NA and approve new service literature. The BANA Area Service Committee (ASC) Secretary and RCM will collect your Home Groups' vote on 2016 CAR Tally Sheet at the March ASC meeting. I have asked the Secretary to distribute a copy of this four page Tally Sheet in the December Minutes. They are also available on line at www.na.org/conference.

The growth within NA has created some pain in the decision making process within our fellowship. As we have learned in recovery, pain leads to an opportunity for change and there are discussions taking place around changing by formalizing a communication and support layer at the Zonal level between Region and World Services. There will be a Zonal meeting from 6-9 this evening at the Sheraton by the airport to discuss the Southeast Zone which consists of Alabama, Florida, Georgia, North and South Carolina. This is an open meeting for anyone that may be interested in getting a firsthand view of the process.

Thank you for the opportunity to be of service.

Happy holidays,
Randy T.

RCM Report

RCM report Borderline Area 1/2/2016

There is not a lot to report as the RSC is meeting next weekend in Myrtle Beach. I atten ded the SEZF Conference Agenda Report workshop on December 5th, which is why I w as not at the last ASC. It was a great experience as there were folks from at least 4 diffe rent states and clean times going from about a year to over 40 years. Not everyone agr eed on everything but no one was disagreeable. There was great respect shown to eac h person's opinon.

I would like to have an area CAR workshop sometime this month or next to give groups the time to vote on the motions in their group consciences before I have to report to the RSC in April.

I have been asked by the regional PR subcommittee if we have a need or desire to hav e them come to our area for a workshop or a learning day.

One other item I wish to bring up. It is a great privilege for me to serve this area and Nar cotics Anonymous as a whole. I am grateful for the fact that I can afford to do this servic e without any sort of funding from this body. Not everyone is so fortunate. Going forward , I think we as an area need to consider a budget item for RCM travel. We ought not limi t service opportunities to those that can afford it.

In loving and grateful service,

Allison Lillard

Ad Hoc

Banatine

Unity Day

February 13th 6 pm

Weddington UMC
